

## STANWOOD HIGH SCHOOL

Christine Gruver, Principal  
Tod Klundt, Assistant Principal/Activities Director  
Tom Wilfong, Assistant Principal/Athletic Director  
Kevin Plambeck, Career/Tech Ed Director

June 14, 2011

To Whom It May Concern:

This letter is to inform you of substance abuse services currently being offered onsite at Stanwood High School and Lincoln Hill High School in the Church Creek building. In order to best serve the youth in the Northern Snohomish County area, there is a Licensed Chemical Dependency Professional working on campus, Monday through Friday. The services currently being offered are substance abuse assessments and various groups addressing substance abuse issues.

Services are currently being offered throughout the week and will continue during the summer months.

You are encouraged to contact me at (360) 629-1340, extension 2243, for any questions or concerns. You may also contact me to schedule an appointment.

Sincerely,

Lee Sanderson, CDP
