2020-21 Student Parking Information During Hybrid Learning

For the remainder of the 2020-21 School Year, students will not be required to purchase a parking permit to park on campus. Students will be expected to follow the following requirements regarding parking:

1. All Stanwood High School students will park in the Stadium parking lot. Those with disabilities should contact the SHS office for alternate parking arrangements.
2. Students will be screened in the parking lot before walking to the High School building.
3. Students should arrive in plenty of time to allow for screening and the walk to the school.
4. Please be courteous of others and park correctly between the lines.
5. Drive safely in and around the parking lot and school buildings (5 mph). To enjoy parking privileges, follow all school rules and obey all traffic laws.
6. Student automobiles are for transportation to and from school. They will not be driven during school hours without permission of a parent/guardian. The parking lot is closed during the school day. Students are not to be in the parking lot for any reason without permission of a school official.
7. When leaving the Stadium Parking Lot, students should turn Right out of the parking lot and head down the hill to Pioneer Highway.
