March 23rd, 2020

Dear Parents/Guardians and Students signed up for AP tests:

We just received a notice that the AP tests will be given remotely this year. The tests will be 45 minutes in length. There will be two different test dates. Those test dates will be released by April 3rd.

Students will be able to take the exams on any device they have access to. That includes computer, tablet, or smartphone. Taking a photo of handwritten work will also be an option. If your student needs mobile tools or connectivity, please contact AP at https://collegeboard.tfaforms.net/74?SFMC_cid=EM288604-&rid=149825436.

Free resources will be available for students to prepare for the exams beginning March 25th, 2020 on the AP website (https://apcentral.collegeboard.org/about-ap/news-changes/coronavirus-update?SFMC_cid=EM288604-&rid=149825436). Information about the reduced scope of content that will be covered on each 2020 AP exam is currently posted on that same site.

While this is not the ideal setting for students to take the AP exam, we appreciate the opportunity AP is providing our students. If students would like to cancel their test, please contact our AP Coordinator, Sue Britain at sbritain@stanwood.wednet.edu. There will not be a charge to cancel the test.

Sincerely,

Christine Del Pozo,
Principal
