SUBJECT: Meal Prices and Student Fee Schedule

DATE: August 16, 2022

TYPE: Action Required

Board Policy 3520 requires an annual fee report be submitted to the board for the coming year. Attached are the proposed meal prices and student fee schedule for fiscal year 2022-23.

Meal prices

Federal waivers are no longer in effect, resulting in a return to the National School Lunch Program (NSLP) for student meal prices. This program requires the district to charge for meals, unless the school or family qualifies for free or reduced prices. The amounts are the same as those charged pre-pandemic, with the exception of reduced-price meals for grades 4-12, which are now free, and adult/guest breakfasts will increase 50 cents.

Other student fees

The student fee schedule was revised to reflect updated naming conventions, and removed fees that are no longer applicable. The following fees increased over fiscal year 2021-22:

- Pre-school (peer model) tuition increased by \$25 to \$175
- National English Honor Society dues increased by \$5 to \$15

Recommendation: It is recommended that the Board approve the attached meal rates and student fee schedules for the 2022-23 fiscal year.
